Notes:

1. Provide the "name" and "breed" of the horse for each item.
2. Provide length, in inches for bracelets by measuring around the wrist without any slack using a cloth tape.
3. Place hair from each horse in a separate plastic baggie and mark with the name of the horse.
4. Mail horsehair, with this Order Form, certified mail, return receipt to Address shown above.
5. Check Suzanne's web site for the current price of each item. Prices are automatically calculated based on the current market price for gold. We will honor gold market prices at the date shipped or the date processed whichever is lower.
6. A 30% deposit is required for each order. Send personal check or postal money order payable to Suzanne Storms, VHJ. The balance is due upon completion of all work.
7. You may choose to make your own payment terms after making the deposit. Pay whatever you want whenever you want without any interest charges. Your order will be shipped after making the last payment.
8. Shipping costs may exceed the \$20.00 depending on the cost of insurance. This is due to the increase in the cost for gold and precious stones and size of order. Shipments to foreign countries will be charged duty or VAT when applicable.
